Course Description: This 60 +/- hour course is designed to meet or exceed Fire Instructor I & II as identified by the National Professional Qualifications Standards. Class time is spent on instructor roles, audience analysis, communication skills, the writing of objectives, simulations and evaluation methods. Each student is required to prepare and deliver both a 10-minute and a 20-minute classroom presentation. Each student will be provided Jones & Bartlett texts and workbooks. This course is an advanced level of education and requires the use of a laptop or computer and access to the internet, with assignments to be completed online.

Recognition/Credit: All students who successfully complete the course of training will receive a certificate of completion as meeting the NFPA 1041 standard for Fire Service Instructor I & II Professional Qualifications. A minimum of 3 credit hours will be available to apply to the SMCC Fire Science Technology Degree program per level awarded. Maine EMS CEH's may be available along with recognition as an EMS instructor. Check with your regional EMS director for information.

Preferred Prerequisites: NFPA Fire Fighter I and II and 3 years of Fire Service Experience. Only those course participants who meet NFPA Fire Fighter I and II and 3 years of fire service experience prerequisites will be eligible to participate in the certification written examination at the end of the course. Copies of your certification will be required before entry into the certification written exam(s).

All checks should be payable to SMCC / MFSI. Please send registration & payment to: MFSI - Attn. Anne Heinig
