Information from MFSI Regarding COVID-19 Cases in York County

Dear Maine Fire Service Community,

In light of the recent COVID-19 outbreak threatening fire departments in York County, MFSI is limiting prop and equipment delivery on a case-by-case basis within York County. This is in order to protect our Support Services staff so that they can continue to provide service to unaffected areas of the state.

MFSI will also limit instructor assignments in York County for the time being. Only instructors living in York County will be able to instruct any programs for which we receive requests. These courses will be assigned at the discretion of MFSI, the instructor, and the requesting department.

MFSI reserves the right to adjust York County operations as the administration finds it prudent to do so. Your cooperation is greatly appreciated. Please feel free to email me with any questions or concerns: I can be reached at jgraves@smccme.edu.

Respectfully submitted,

Jim Graves
