

Maine Fire Service Institute Pump Operator Trainer Annual Schedule

Last revised: June 2016

The Pump Operator Trainer is available to Fire Departments for training on an Annual Schedule.

To reserve the Pump Operator Trainer with a MFSI Instructor during the month scheduled for your respective county, please submit a request through the [MFSI website](#) no less than 30 days prior to the month scheduled for your respective county.

MFSI will make arrangements to deliver the Pump Operator Trainer at one location in the county scheduled with multiple training sessions. Contact Deputy Director Jim Roy at 207-844-2076 or jroy2@smccme.edu if you have any questions about securing a qualified instructor, or Support Services Supervisor Ray Bishop with questions about the delivery process itself, at 207-205-2761 or rbishop@smccme.edu.

This prop is a joint asset shared between the Greater Portland Metro Fire Chiefs and MFSI.
