ABOUT PETER

Peter L. Rines started his career as an on-call firefighter for the Town of Wiscasset, eventually serving the community as Fire Captain, Director of the Ambulance Service and Interim Fire Chief.

In 1998, Peter began training Maine's firefighters as a State Fire Instructor. With the Maine Fire Service Institute, he was a training, certification, and curriculum manager, developing nationally recognized certification programs.

Peter was a true 'Mainer' through and through, and he cared deeply for the Maine fire service. He will forever be remembered as a person that improved the lives of countless individual fire service members.
