

FIRE OFFICER I

PILOT PROGRAM

BRUNSWICK & BANGOR

MFSI is thrilled to announce two pilot offerings of our new Fire Officer I delivery model, hosted at MFSI headquarters in Brunswick and in the Bangor region. Space will be limited to 18 candidates per program.

This course is designed for the first-line company officer/supervisor and satisfies the requirements of the National Fire Protection Association (NFPA) 1021 Standard for Fire Officer Professional Qualifications, Chapter four "Fire Officer I". It is designed around classroom lectures and group exercises to improve your abilities to manage a single fire company. This includes responsibilities such as the development of an Incident Action Plan (IAP), personnel management and mentoring, and community relations.

Upon completion of this course you are eligible to take the National Board on Fire Service Professional Qualifications (Pro Board) written exam and skills testing. Participants that receive a Pro Board certification are eligible for certification through Maine Fire Service Institute.
