

# Fire Officer 2

**This class focuses on the same key areas for the officers identified in the first awareness course, but “takes them up a notch”. Rather than being focused on the company level officer, it is focused on the station or multiple company officer. Completion of the Fire Officer Awareness Level 1 course is a requirement prior to taking this class.**

**Prerequisites: Fire Officer I, Fire Instructor I, and Five years fire service experience minimum required. Non-officers are encouraged to apply but preference will be given to currently serving Fire Officers.**
