

Incident Safety Officer 2-Day Academy

This course is an in-depth, fast paced class that focuses on the knowledge and experience-elements required of an effective ISO. It gives participants the opportunity for situational exercises and scenario practice. The ISO Academy is an excellent tool to help participants prepare for the Pro Board ISO Certification Exam. The course is ideal for any fire officer who has been newly appointed as a Safety Officer or is likely to fill the Incident Safety Officer role.

Recommended Text - Incident Safety Officer, Revised 3rd Ed., David W. Dodson – NOT included in course cost. Can be purchased from RAFT during registration, \$99.99.
