

# Wildland Fire Training – Spring 2025 – Maine Forest Service

**Notes:** Most classes take more than one day. For example, the Maine Basic Wildland Fire Class has a classroom component (8 hours) and a field component (4 hours). Some classes have a maximum limit of students. Please use the sign-up form linked at the bottom of this page and/or reach out to the lead instructor for course specifics. Classes without a minimum number of students registered may be cancelled.

If you have general questions, reach out to the regional office near you: [https://www.maine.gov/dacf/mfs/forest\\_protection/offices.html](https://www.maine.gov/dacf/mfs/forest_protection/offices.html)
