

Incident Safety Officer 2-Day Academy

This course is an in-depth, fast-paced class that focuses on the knowledge and experience elements required of an effective ISO. It allows participants to engage in situational exercises and scenario practice. The ISO Academy is an excellent resource for helping participants prepare for the Pro Board ISO Certification Exam. The course is ideal for any fire officer newly appointed as a Safety Officer or likely to fill the Incident Safety Officer role.

Recommended Text - Incident Safety Officer, Revised 3rd Ed., David W. Dodson – NOT included in course cost. Can be purchased from RAFT during registration, \$99.99.
