

MAINE FOREST SERVICE

2026 WILDFIRE TRAINING DATES

Train Hard. Stay Ready. Protect Maine.

The Maine Forest Service delivers hands-on, mission-focused training designed to prepare firefighters and emergency responders for the realities of the fireline.

Whether you are new to wildland fire or advancing your qualifications, these courses build the skills, confidence, and operational readiness required to succeed.

QUICK INFO

- Pre-registration is required (contact your local Ranger).
- NWCG-aligned instruction with classroom and field components.
- Bring required PPE for field sessions; pack for weather.
- Times and locations may change based on operational need.
